

THRILLING

Was The Accident Of Two Men On Motor-Cycle

One Knocked Off Machine By Street Car

Leaving Other Without Any Knowledge Of The "Bike"

And As A Result Both Are Painfully Injured

W. P. Sawvel And Carl Brent Are The Victims

One of the most thrilling accidents and at the same time one which might have resulted in the death of two young men occurred Monday afternoon at about five o'clock when Mr. W. P. Sawvel and Mr. Carl Brent, both of this city, figured in a motorcycle accident on West High street. The former was operating the machine and Mr. Brent was enjoying the ride, there being a double seat arrangement on the motorcycle.

The two men were coming down Sandusky street at a rapid rate of speed and as they turned on to High street they did not see a street car going west on High street. Without a moment's warning the car crashed into the motorcycle with such force that Mr. Sawvel was knocked from the seat of the machine to the pavement. In some unaccountable manner Mr. Brent managed to hold to the motorcycle and up High street the machine shot at a very rapid rate of speed. Mr. Brent discovered at once that he was in danger of a serious accident as he knew nothing about the machine and was unable to shut off the power. As the machine passed Mulberry street Mr. Brent realized that he must jump before reaching the square. In front of Luther Barre's cigar store on High street, near Mulberry, Mr. Brent dropped from the motorcycle and fell on his stomach and face. The machine skidded the width of High street and struck the curb stone on the opposite side of the street.

A large crowd gathered at once and it was discovered that both men had been injured in the accident. Sawvel was picked up, placed in an automobile and taken to the office of Dr. S. E. Deely where an examination revealed the fact that his collar bone was broken and that he was badly cut about the face, head and hands.

Mr. Brent was carried into the Barre cigar store and Dr. L. L. Williams was immediately called in attendance. Mr. Brent sustained a small scalp wound and was considerably bruised about the arms. He also complained of injuries about the abdomen, but it is not thought he is injured internally.

The street car which struck the motorcycle was No. 32 and was in charge of Motorman Colopy. The car was traveling at a good rate of speed and the machine must have been traveling much faster as the large window in the front of the car was broken in and a portion of the wooden frame of the vehicle was torn away.

ANNUAL

Meeting Of The Church Of The Holy Spirit, Gambier

Gambier, O., May 3.—The annual meeting of the Church of Holy Spirit was held last evening in the parish house. Supper was served at 6 o'clock and at the conclusion the business meeting was held. Vestrymen were elected for the year as follows: A. C. Scott, Prof. Devo, John Cunningham, Charles Hardin, George Rowley, William McGugin, Dr. Sterling, Prof. Hall, Prof. Newhall, Prof. West, Mr. Shesha and William Hunter.

KING'S DAUGHTERS AND SONS
Savannah, Ga., May 3.—Members of the King's Daughters and Sons assembled in this city today for what promises to be one of the most successful as well as the largest annual convention ever held by the Georgia branch of the organization. Delegates from Atlanta, Augusta, Waycross, Gainesville, Brunswick and other cities are here. The convention has its formal opening this evening and the proceedings will continue until Friday.

NEW TRIAN

Installed On The C. A. & C. Commencing Tuesday Morning

Commencing Tuesday morning, May 3, the C. A. & C. railroad installed a new passenger train between this city and Columbus. The new train leaves Mt. Vernon at 6:30 a. m. and arrives in Columbus at 7:50 a. m., making all the stops. The returning train in the evening leaves Columbus at 6 p. m., arriving here about 7:30 p. m.

The request for these two trains was made by the board of trade of Westerville and business men in many of the towns between Columbus and Mt. Vernon several weeks ago. The trains had been promised and were to have been put on when the spring time card went into effect Sunday, May 29, but the street railway strike caused a hastening of the plans.

COUNCIL

Hold A Very Brief Session Monday Evening

And But Little Business Was Transacted

City Auditor Wants An Ordinance Investigated

The regular meeting of the city council was held Monday evening with all members present at roll call except Mr. Cole. The meeting was called to order with President Edward Dever in the chair. The minutes of the last regular meeting were read and approved by the council as read by Clerk McIntire.

City Auditor Dorgan reported to the council that the amount of money deducted from the electric light bill for outages of street lights was as follows: For December, 1909, \$13.09; January, 1910, \$15.50; February 75c.

The city auditor also reported that he had received into his hands the matter of issuing certificates of indebtedness for \$1,500 to purchase the necessary supplies for the Third ward engine house and that he had consulted attorneys and two bank cashiers and that he afterwards asked the advice of Solicitor Leonard and the solicitor said that, in his mind, it was an illegal proceeding. The auditor requested more instructions from the council regarding the matter before he proceeded any farther with it.

Mr. Dowds of the street committee reported that the committee had met with the engineer, the attorneys and the property owners and made an attempt to reach something definite concerning the re-paying of East High street between the square and Gay street but nothing of satisfactory nature could be decided upon. In connection with this, City Engineer Anderson said that the grading would be more a matter of material than it is the grade. He said that there was a vertical curve in the middle of the street. Mr. Taylor moved that the matter be left in the hands of the street committee.

It was reported to the council that the street lamp on the corner of Wilson and East Front streets had been out for ten consecutive nights and that immediate neighborhood had been left in darkness all during that time.

Mr. Bird reported to the council that the changing of the side walk grade on the corner of West High and Sandusky streets would cost in the neighborhood of five or six dollars.

Mr. Weaver reported that the Ransom property on Coshocton avenue was being damaged at every large rain as the clay banks made by the opening of the alley at the west side of his property were washing down and eating into his property which lies on the bank.

As all matters of business had been attended to, the rather short session of council was adjourned.

CYCLONE HITS MESSINA

Rome, May 3.—Alarming reports of a new disaster at Messina reached here today.

Hundreds of persons have been killed and wounded by a cyclone and, according to the advices, it has swept Messina and a large part of the territory affected by the great earthquake of 1908.

The temporary structures of Messina, according to the meager reports, were destroyed like card houses.

STOYLE

Brought Back Here Tuesday Afternoon

To Answer To Charge Of Bootlegging

Preferred Against Him A Year Ago

James Stoyale, wanted in this city on a charge of bootlegging, was brought to Mt. Vernon from Columbus on the C. A. & C. train Tuesday afternoon by Officer Hough, who went after the prisoner on a morning train.

Stoyale was arrested on May 5, 1909, on a charge of bootlegging, three affidavits having been made out against him. The day of his arrest after he had given bond he skipped out and in the winter was caught at Dunkirk, N. Y., by government officials and taken to Columbus where he was given a fine in United States court for selling liquor without a license. Stoyale had been in the Columbus workhouse, having been unable to pay his fine and just as soon as his time was out, which was on Tuesday he was turned over to the officials of this city.

Stoyale was taken directly to the office of Mayor Mitchell where he stated that he was not guilty in two of the cases and that he was guilty in one. Mayor Mitchell decided to investigate all three cases and ordered Stoyale locked up in the county jail and will be arraigned in a day or so. No bond was fixed and the prisoner was locked up in jail.

A touch of rheumatism, or a twinge of neuralgia, whatever the trouble is, Chamberlain's Liniment drives away the pain at once and cures the complaint quickly. First application gives relief. Sold by all dealers.

BOARD

Of Education Holds Short Session Monday Night

George S. Harter Appointed School Enumerator

The regular meeting of the city board of education was held in the office of Clerk George Coyner Monday evening with President C. N. Lorey in the chair. The meeting was called to order and the minutes of the last previous meeting were read and accepted by the board as read. All members were present at the meeting except Mr. Faddis, who was absent on account of illness. The meeting was of exceedingly short duration as nothing was brought up for consideration which could be definitely decided upon.

The bills for the month of April were read by Clerk Coyner and ordered paid.

George S. Harter was appointed school enumerator for the year.

The meeting was adjourned to meet on May 16th, for a special session when the teachers for the following year will be appointed.

Chamberlain's Stomach and Liver Tablets will clear the sour stomach, sweeten the breath and create the healthy appetite. They promote the flow of gastric juice, thereby inducing good digestion. Sold by all dealers.

SEVERELY

Burned By An Explosion Of Gas

W. P. Snyder, who is employed at the Mt. Vernon Window Glass factory in this city, was very painfully injured while at work Monday afternoon at the factory. Mr. Snyder was testing a valve under a large boiler and on discovering a gas leak, attempted to light it in order to ascertain the extent of the leak which was a great deal larger than he had anticipated and as a result there was a rather violent explosion. His face and arms were badly burned by the explosion, but nothing of a serious nature will result. Dr. C. C. and S. C. Deely rendered surgical attention.

ANNUAL

Meeting Of St. Paul's Episcopal Church Is Held

At The Parish House On Monday Evening

When Reports For The Year's Work Were Given

And Wardens And Vestrymen Were Elected

Music And Social Follow Business Meeting

The annual parish meeting of St. Paul's Episcopal church was held at the parish house Monday evening and was opened with a devotional service by the rector. Mr. A. E. Rawlinson was then elected clerk of the meeting.

The rector reported no confirmations during the year, two classes having been confirmed during the preceding year, and the class of this week, not coming within the year. Received by letter of transfer, 7; infant baptisms, 12; adult, 1; marriages, 7; funerals, 23, ten of whom were communicants.

Communion Alms.....\$53.69
The following reports were then read:

Treasurer's Report
General Fund.....\$2,244.46
Other Funds.....105.30
Church Repair.....598.90
Domestic Missions.....82.50
Foreign Missions.....82.50
Diocesan Missions.....100.00
Episcopate Endowment.....155.00
\$2,868.66

Sunday School
Teachers, 15.
Scholars, 139.
Total, 154.
Domestic Missions.....\$ 16.50
Foreign Missions.....16.50
Diocesan Missions.....31.88
Supplies, etc.....149.88
\$214.76

Woman's Auxiliary Missionary Society
Miss Anna Ash read the report.
Cash for mission objects.....\$ 76.00
Boxes and barrels, value.....229.16
\$305.16

The King's Daughters
Miss Wilda Clark read the report.
In addition to the work for which they are organized, they expended during the year, \$66.84.

The Daughters of the King
Mrs. Frank Harper read the report of the daughters.

Their work in connection with the altar and the choir in addition to their usual charitable aid both within and outside the parish.

The election resulted in the continuance of the wardens and vestrymen of last year.

Senior Warden—D. B. Kirk.
Junior Warden—C. A. Bope.
Vestrymen—John V. V. Elder, R. S. Hull, S. H. Peterman, Frank Harper, H. C. Devin, C. C. Iams, Ben Ames, C. G. Conley, C. N. Lorey, W. E. Grant.

At the organization of the vestry, Mr. John V. V. Elder was elected clerk and Samuel H. Peterman treasurer.

Messrs. Kirk, Conley and Devin were elected lay delegates to the annual diocesan convention at Cleveland in May and Messrs. Bope and Iams and Ames alternates.

During the evening a number of college songs were rendered by the members of the choir under the direction of Mrs. Fred M. French, leader, with Miss Wilda Clark at the piano.

At the conclusion of the business meeting delicious refreshments were served by the ladies of the church.

PEARY ENTERTAINED IN LONDON

London, May 3.—A luncheon at the Royal Societies Club today, attended by numerous personages of note, marked the beginning of a series of public functions arranged in honor of Commander Robert E. Peary during his stay in London. Tomorrow the famous Arctic explorer is to receive the gold medal of the Royal Geographical Society, before whom he will lecture at the Albert Hall.

Our men's patent colt oxfords on the new spring models are strictly "IT". They sell at sight. Come in and ask to see them. Hall & Spitzer.

CENTER OF POPULATION

It is not thought that the present census will move the center of population much farther west than it is at present, in spite of the rapidly with which the west is supposed to be growing in comparison with the older and more settled east. The center of population of the United States at the time of the first census was 23 miles east of Baltimore. It has never failed to move west some distance. In 1900 it was located near Columbus, Ind., about 40 miles south of Indianapolis. In 1890 it was 26 miles further east and in the two previous decades it kept rather near to Cincinnati. While with each decade it has moved a little further west, it has continued to keep very close to the 39th parallel, the latitude approximately of Baltimore and Cincinnati. With the development and spread of population in the west the wonder is that the center of population keeps so disproportionately far to the east of the center of the area. It now stops at about one-fourth of the entire distance from coast to coast.

It is suggested that the present census will doubtless carry it a little farther west, and perhaps a little to the south, because of the new population in Oklahoma. Other western and southwestern states have made large additions to their population, but they have lost much by migration to Canada and latterly to Mexico.

CROSSES OCEAN FOR ONE DAY VISIT

London, May 4.—"Six Thousand Miles for a Glimpse of Broadway" would be an appropriate title for the piece in which Miss Pauline Chase, the popular English actress, made her debut today when she sailed for New York on the Kaiser Wilhelm der Grosse. Miss Chase will arrive in New York next Tuesday, staying a few hours for the purpose of attending the Actors' Fund Fair, and sailing on the Mauretania the next morning on her return to England. The actress is taking along with her a number of photographs and autographs of leading English players and other celebrities, which she intends auctioning for the benefit of the fund.

S.S.S. DRIVES OUT BLOOD HUMORS

When we see persons with soft, smooth skins we know at once that their blood is pure and healthy, that the cuticle is being sufficiently and properly nourished by the circulation. But when the blood becomes infected with any unhealthy humor the effect is shown by eruptions, boils, pimples, or some more definitely marked skin disease such as Eczema, Acne, Tetter, etc. Humors get into the blood usually, because of a sluggish condition of those members whose duty it is to collect and carry off the waste and refuse matter of the system. This unhealthy matter, left in the system, sours and ferments and is soon absorbed into the circulation, filling the blood with an irritating humor. Remove these humors and the skin disease can not exist, because its very cause is then destroyed. S. S. S. cures all humors of the blood because it is the greatest of all blood purifiers. It cleanses the blood of every particle of unhealthy matter, enriches the circulation and causes it to supply healthful nourishment to all skin tissues. Then the skin becomes soft and clear. Local applications can not cure, they can only soothe by temporarily reducing the inflammation, but the cause remains in the circulation and the eruption will be no nearer well when the external treatment is left off. The humors must be removed and nothing equals S. S. S. for this purpose. Pure blood makes healthy skins and S. S. S. makes pure blood. Book on Skin Diseases free to all who write and request it. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Alabastine.....

produces a wall that does not rub or scale off when properly applied and when new coats are desired they can be brushed on without the trouble, and expense, of washing or scraping off the old material each time. The material is thoroughly sanitary. It is easily applied. It mixes with cold water, and is the best thing in the market for the purpose for which it was made—to coat and cover walls, ceilings for bed rooms, living rooms and any other purpose that wall coatings can be put to.

Bogardus & Co.

CUBA 22264

THE PURE BRED PERCHERON STALLION

Sired by Contigny 18039 (35338), he by Villers 13169 (8081), he by Briard 5317 (1630), he by Brilliant 1271 (755), he by Brilliant 1899 (756).
DAM Cardina 15408 by L'Ami 6239 (1649), he by Brilliant 1271 (755), he by Brilliant 1899 (756).
2nd DAM, Berarde 6628 (9853) by La Ferte 5144 (452), he by Philibert (760), he by Superior 454 (730) etc.
3rd DAM, Celestine (1628) by Brilliant 1271 (755), he by Brilliant 1899 (756) etc.

Cuba is a grey, weight 1920, excellent conformation, perfect disposition, a sure foot getter, and one of the best breeders in Central Ohio.

Cuba has produced more high priced colts than any other draft stallion in Morrow County, his two-year-old fillies commanding prices up to five hundred dollars, and his three-year-old colts selling as high as nine hundred dollars; three hundred dollars being a common price for his get from good mares; and these prices were obtained by the farmers who raised them.

Individuality and producing qualities considered, Cuba's fee is the lowest of any stallion that ever stood in Morrow or adjoining counties. Season 1910 at my stable in Sparta, Ohio. FEE, \$15.00 to insure a living colt.

Both Phones. C. L. Pierce, Owner, Sparta, O.

DEL ROY 47920

Race Record, 2:27 1/4.
Sired by Acicell, 2:18 3/4, (sire of Belle Isle, 2:11; Wantell, 2:14 1/4; Little Jan, 2:14 1/4; Tellus, 2:14 1/4; Quintell, 2:12 1/4 and 32 others), by Axtell 2:12, ex-world's champion, (sire of Ozanam 2:07; Elmore 2:08 1/4; Angle 2:08 1/4; Praytell 2:09 1/4; Mainland 2:09 1/4; Ax 2:09 1/4; Home Circle 2:07 and 122 others; and sire of the dams of Redtell 2:08 1/4, George Muscovite 2:08 1/4, Chase 2:07 1/4, Margaret O. 2:05 1/4, Mainsheet 2:05 and 41 others) by William L. 4244, by George Wilkes 2:22, the world's greatest progenitor.

FIRST DAM by Sacramento 655 (by Woodford Mambrino 2:21 1/4), sire of Scotia 2:21 1/4, Nelly Rose 2:25 1/4, Bob Henderson 2:27 1/4 and others; and sire of the dams of ten standard performers.

SECOND DAM by Princess 536 (by Woodford Mambrino 2:21 1/4) sire of Grenlander 2:12, Trinkt 2:14 and 50 others; and sire of the dams of Exalted 2:07 1/4, Marion Wilkes 2:08 1/4, Pat Ford 2:10, Bi-Flora 2:09 1/4 and 99 others.

THIRD DAM by Mambrino Star 585 (by Mambrino Chief 11), a sire of standard performers, and of producing dams, being the sire of the dam of Jay Bird, one of the world's great progenitors.

FOURTH DAM by Volunteer 55 (by Hambletonian 10), sire of St. Julian 2:11 1/4, ex-world's champion, and 33 others; and sire of the dams of Homestake 2:14 1/4, Brava 2:14 1/4, Dick 2:12 1/4, Strongwood 2:12 1/4 and 74 others.

Del Roy is a bay; weight 1100; sure foot getter, a fine individual, and a better headed, better gaited, or gamer trotter never lived.

FEE, \$15.00 to insure a living colt.

Both Phones. C. L. Pierce, Owner, Sparta, O.

GABRIEL

LARGE, REGISTERED, BLACK SPANISH JACK

Gabriel is one of the largest, surest, and best breeding jacks that ever stood for public service.

His colts are uniformly large, smooth, sound, and of the best of dispositions, which are very important points to be considered in the mule industry. If you desire to raise a large, valuable, salable class of mules, breed to Gabriel.

Season 1910 at my stable in Sparta, Ohio. FEE \$12.00 to insure living foal.
